Hi Rachel,

Just wanted to make sure you saw this. He said he cc'd you, but I did not see your name. Can we talk about the room PR when you get settled today?

Hello, again, John.

I have attached a proof of your ad, which is an inch longer x 2 columns than the ad we used to estimate price - cost to run will be \$80 for 20" rather than the \$72 for 18". I have cc'd Rachel, as well. Payment may be made by check to us at the address below. Thank you.

Sincerely, Ricky

Hi Ricky,

Please find attached the approved ad for publication in the July 25 Thursday edition of the Iron County Miner. Please put it in the main body of the paper, not in the classifieds. You provided an earlier estimate of \$72 and I understand this amount may change based on the actual ad (attached). Please contact Rachel Webb-Brewer using the information below for payment information. Can you send me an email on Thursday confirming the ad was printed? Thank you.
